The Rocky Creek campsite takes in an area of 120 acres (48.5 hectares). Nearly 100 acres are preserved as natural bush and wildlife sanctuary. The natural bush would be best described as tea tree (paperbark) country and is very flat with low ridges and shallow gullies. This makes bush walking easy going and very enjoyable. Numerous walking tracks criss-cross the area and are used for orienteering, bush walking, nature studies etc. The northern boundary is Rocky Creek, which is a "ribbon of rainforest" and has many varieties of palms, large trees and bamboo (not to be felled). There is a dam and two consecrated chapel sites for everyone to use. There are four bush campsites and various other established campsite areas closer to the main development area. All campsites have mains pressure town water supply on tap. There are two separate accommodation buildings, and a masonry block ablution building.

## Mozart Beyond the Grave

When Mozart passed away, he was buried in a churchyard. A couple days later, the town drunk was walking through the cemetery and heard some strange noise coming from the area where Mozart was buried.

Terrified, the drunk ran and got the priest to come and listen to it. The priest bent close to the grave and heard some faint, unrecognizable music coming from the grave.

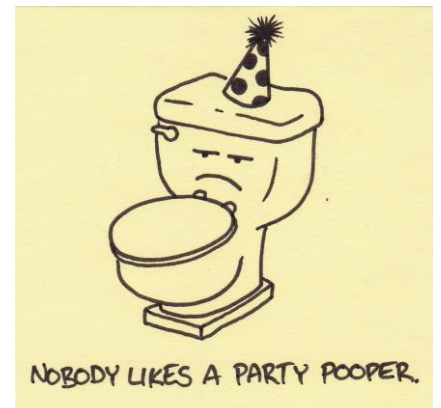

Frightened, the priest ran and got the town magistrate.

When the magistrate arrived, he bent his ear to the grave, listened for a moment, and said, "Ah, yes, that's Mozart's Ninth Symphony, being played backwards."

He listened a while longer, and said, "There's the Eighth Symphony, and it's backwards, too. Most puzzling."

So the magistrate kept listening; "There's the Seventh... the Sixth... the Fifth..."

Suddenly the realization of what was happening dawned on the magistrate; he stood up and announced to the crowd that had gathered in the cemetery, "My fellow citizens, there's nothing to worry about. It's just Mozart decomposing."

Hi Members,

At the State Rally we are holding a stall at the Saturday Market Day. Any of you who wish to make your crafts to sell, whether you are going or not, please have them done & to me by the August rally. **20% of all sales to be donated to the RFDS.** They will need to be priced by yourself & we will let you know of our system at the next & following rallies.

Looking forward to seeing what comes in.

Lyle

## 5-Ingredient Zucchini Fritters

These versatile zucchini fritters can be eaten as a light meal, served as a side dish or whipped up for brekkie on the weekend.

**Serves:** 4

**Ingredients:**

400g zucchini  
 ½ cup self-raising flour  
 2 eggs, whisked  
 ¼ cup parmesan, finely grated  
 ¼ cup crumbled feta cheese  
 ¼ fresh parsley, chopped  
 ¼ cup shallots or chives, chopped  
 4 teaspoons olive oil  
 2 tablespoons of fresh dill  
 Salt and pepper to season  
 Lemon wedges, for serving

**Methods:**

1. Grate zucchini into colander and squeeze out excess moisture with hands. Transfer to bowl.
2. Stir in self-raising flour, shallots or chives, whisked eggs, parmesan, feta and parsley. Combined well and season with salt and pepper.
3. Heat two teaspoons of olive oil in frying pan over medium to high heat. Drop in two tablespoons of zucchini mixture and use the back of spoon to press into fritters. 聽Cook for two to three minute each side or until golden and cooked through. Transfer to paper towel lined plate.
4. Wipe pan down with paper towel and add remaining oil. Repeat with remaining mixture.
5. Garnish with dill and we recommend serving with lemon wedges.

Serve the zucchini fritters topped with sour cream (optional) and sliced scallions.

To all our members who are not feeling the best, all our best wishes for a speedy recovery to each and every one of you.

Know that you are in our thoughts.

**Please Note:**

Please bring along your camp oven and cook something for a pot luck lunch. You can cook damper or stew or whatever you choose. Not a competition, just sharing and caring.
