Secretary’s report for

What a difference a bit of rain makes. Lush green everywhere. So nice to camp on. Kalbar had a big weekend. The fair in the Main Street with more than 130 stalls on the Saturday and the giant swap meet at the Showgrounds on the Sunday. Both were fantastic.

We were sharing the Showgrounds with the Jxxxxxus caravan club and they were not into sharing the pavilion. They complained and the caretaker realised we too had booked so he gave us a better venue on site. Power hurts some people. We only had 12 vans but we had lots of fun. We hope the State Rally went really well.

The expenditure at Kalbar was \$2063.00

Roving Report October 2018

What a wonderful time the Club had at the Kalbar Showgrounds. Plenty to do and occupy us all weekend.

Twelve vans attended the rally with a couple of day visitors on the Saturday (good to see you again Ron). Dinner on Friday at the local Hotel was well attended and the generous meals pleased all the diners.

It was like a summer’s day on Saturday with the Kalbar Country Day commencing at 7.00am in the main street. The early birds caught the complimentary breakfast and were entertained by the Bush Poets. Dozens of stalls lined the street with much to see and buy. Some of us spent very well supporting local businesses. There was a competition with hay sculptures at various locations throughout the town, some very artistic, also highlighting the plight of the farmers in rural areas. Saturday afternoon saw a game of Pictionary conducted by our Activity organisers, Mark and Diana. It was well attended and comfortable inside the showground shed, with many laughs and some collusion I fear along the way. The usual happy hour commenced 4.00pm with some tasty snacks, notably the mini-mini cocktail sausages by Bep from Aldi. The raffle was drawn and won by Ron - how did he do it!

Ten birthdays were to be celebrated in October but only Rod, Rick, Rob and Diane were at the rally. Wedding anniversary couples in attendance were Vickie and Paul and Helen and Rick. The early hours of Sunday saw some heavy rain on our vans but Sunday was bright and shiny and warm again. The Kalbar Swap Meet and Markets at the Showground was well attended. Classic cars were on show as well as trucks, bikes, old engines and vintage tractors. It certainly brought out the crowds. Many vans left on Sunday with plans to be home before the afternoon storm. For some though, a longer journey was ahead of them, joining our fellow members in Bundaberg. We hope everyone enjoyed the State Rally in Bundaberg and that our committee were well rewarded for all their tireless work and dedication.

Well done to all the organisers for a great rally in Kalbar.

Which car has to give way at this intersection?

Which one of these two cars has to give way in the pictured intersection? If you answered the pink car, you are correct.

Why? Because the pink car is turning right across the path of the green car.

Some people may be confused by the different signs, but remember the stop sign is not more powerful than the give way sign. Both signs indicate that vehicles have to give way, the difference is that a stop sign requires you to stop first before giving way.

As the two cars arrive at their respective stops, the stop sign becomes like a give way sign.

Both cars have to give way to other vehicles on the road, and then give way to each other at the intersection by following give way rules.

October activity report by Bep Spee

As it happened the State Rally was held at the same time as our rally and quite a few members went to Bundaberg. But we still had 6 teams of four to compete in the Pictionary which was well organised by Dianne and Mark.

One of each team was shown a card with a word on it (could be a thing, a person or event) and then by drawing to get the team to guess the word.

Competition was very fierce special by some teams but at the end was won with 9 points by the Vinchy team - John, Loretta, Vicky and Les. The other 3 teams all came second with 6 points. All well done and very much enjoyed by all of us.

Treasurer's Report

A good rally with plenty good company and a lot of fun.
The raffle supplied by Rick & Helen.
The raffle raised \$65.00. Thank you All for your support.

Rae.

Tasty Tuna Cutlets

- **Preparation Time** 20 minutes
- **Baking Time** 15 minutes
- **Serves** 2

Ingredients

1. 5 oz. / 140 g fresh tuna
2. ½ cup / 75 g potatoes
3. ½ medium onion, finely chopped
4. 1 tsp / 2 g finely chopped ginger
5. 2 tsp / 6 g finely chopped garlic
6. 1 tsp / 5 ml olive oil
7. ½ tsp / 3 gm salt
8. 1 cup / 240 ml water

Directions

1. Preheat oven to 350°F / 180°C. Brush a small baking pan with ½ teaspoon / 2½ ml oil.
2. Boil the potatoes until they are very soft. Mash them thoroughly, either with a hand tool or in a mixer, until smooth without any lumps. Cover and set aside.
3. In a small shallow pan, boil the fish in 1 cup of water for about 5 minutes. In a shallow bowl, add the mashed potatoes, cooked fish, and finely chopped onions, ginger, and garlic, and blend well until you get a uniform mixture. Refrigerate for 15 minutes.
4. After 15 minutes, remove from the refrigerator. Make balls out of the mix, and then flatten each ball with your palm to form a cutlet-like shape.
5. Place the cutlets in the prepared baking dish and brush remaining oil on the tops.
6. Place the dish on the middle rack off the oven and bake for 15 minutes. The cutlets can be considered done when both sides are crisp and dark brown in colour.
