A note from your Vice President...

Dear Fellow Members

Another incredible rally at Maleny and so lovely to see so many happy, smiling faces. Noel & I are heading off in our van tomorrow for 8 weeks (we hope) and I'm only just beginning to get excited about it now.

Can I ask all members holding assets to please let me know if or when equipment changes hands. With the recent resignations from the club and COVID-19 some things may not be where I think they are and I like to keep my records accurate so please get in touch with us if you now hold equipment that was previously held by a member who has resigned from the club.

See you all in September. Cheers & stay safe everyone.

Yvonne

What happened at Maleny

Roving Report - Maleny Showgrounds

Hi All,

The roving reporter arrived at Maleny Showgrounds around 4.15pm on Friday to be greeted by a mob of happy go lucky campers barricading the entrance to all, but the seas were parted and we were allowed onto the oval.

Picture perfect weather with the sun shining on clear blue skies every day but chilly nights for all.

Dinner for some on Friday night was the local hotel which provided a safe environment with excellent meals. Others chose to cook in their RV's to avoid the chilly night air.

For the brave and young at heart a campfire on both Friday and Saturday night provided warmth while the problems of the world were discussed and resolved. Notable discussion was the flame length emitting from a log orifice under pressure.

Saturday saw excursions to local attractions including the markets at Witta.

The afternoon activity of bocce was run under strict Covid-19 rules and was won humbly by Neil. Happy hour saw birthdays and anniversaries recognised with sealed lamingtons supplied for safety and the welcoming of Gary & Wendy Holder to the club.

With the help of fellow wine drinkers, Rod made a tasty Mulled wine to keep those who partook warm inside.

Activity Report - Maleny Showgrounds

The activity for July was a game of Boules organised by Evon and Graham with help from Noel Weeks and Rick and Helen Roeder. Registration commenced at 2.30pm. A total of 27 members registered to play.

Two courts were marked out on the grass just inside the main rink of the showgrounds and it was great to be out in the sun together having a fun game. Thanks to Eric who supplied the cord and rope that was used to mark out the courts.

In order to keep the game Covid 19 safe, participants were reminded of social distancing & hand sanitiser and wipes were also available for members to use. The boules were cleaned with antiseptic wipes before each new round. Noel and Graham were kept busy clearing each court before the next round.

Evon explained the one main rule of holding the boule with your palm facing down so that the boule was sitting downwards towards the grass. No underarm bowling was allowed instead the boule was to be thrown out and along the court with enough force to land close to the jack. The jack was to remain in a fixed position on the court so that everybody had an equal throwing distance.

Three players were called up for each court and each player was given two boules. A round consisted of each player taking turns to throw their two boules at the jack. The player who got closest to the jack was awarded one point and winner of that round. Evon and Helen Roeder were the score keepers.

The first round was a practice round which allowed everybody to try out their skills and get a feel for throwing and the weight of the boules. The winners of each round from both courts went through to the next round after all the boules and been collected and cleaned.

As usual competition was fierce but by a process of elimination the final shoot-out was between Les and Neil. Les put up a good fight but by luck or talent Neil put in a gold medal performance. After a lap of victory Neil was presented with his gold medal and Les was happy with his box of Smarties. The activity ended at approximately 3.30 pm
