JILL'S JOTTINGS

Once again a tip top rally with very hot days but slightly cooler nights. Some welcome rain with a bit of a lightning show on Sunday night.

No-one seemed to mind the storm which came after a most enjoyable meal cooked by the Manager of the Park, Mr. Newman you are welcome to come to any of our rallies and show off your skills. Well done, a delicious meal.

The hot days were relieved by those members brave (?) enough to brace the icy waters of the pool, a few degrees lower would have provided the ideal spot for an ice skating comp. Nevertheless the water was very refreshing.

Koala hunting was part of the activities, only one member spotted one of the cuddly creatures however it must be noted that some people were more inclined to believe that the koala spotter may have wanted to have a snooze so she, "Who is She?"

sent a mob of people on a wild "koala" chase.

Visitors to the rally were Jim and Bev Went, new members Allan and Debbie Howard were officially welcomed.

WELCOME

A very warm Thank you to our Bush Poet, John and his wife Margo, for their part in the entertainment on Saturday night, many thanks to Murray and Christine for their idea to invite John and Margo.

There were plenty of arrivals and departures from Wednesday until after Anzac Day, it is becoming more attractive to stay longer particularly when Eric, the famous Camp Chef puts on freshly baked hot scones with jam and cream for morning tea for those who were fortunate enough to stay a day or two extra.

Sincere condolences to Neil and Faye Bremmer with the

passing, on April 26th, of Neil's father. Deepest sympathy is extended to you and your family during this sad time.

PRESIDENT'S REPORT

Hello everyone.

Our Esk Rally was again filled with much humour and intrigue as we all attempted to understand where the heck Dell gets her ideas for the games. (Me thinks that poor Steve must be put through some terrible trials before the finished product is let upon us!!!) Who would have thought a pantyhose, potato, tennis ball and cup would have everyone in fits.

Our tarp (someone suggested that we should think of a better name) once again proved to be excellent and is now the focal point of our rallies although Dell took it a little too far when she brought her swag along.

Peter C. demonstrated a unique way of changing the shape of shade cloth using only a BBQ.

I do not know about the rest of you (although I see many in the same boat) but it seems to take me many hours to pack up these days...perhaps my heart is just not in it!!!

To those members that were not too well I wish you a speedy

recovery.

I look forward to seeing you all at Lake Macdonald.

Kevin

Thank you all for all of your support at Esk to make the whole week-end such a success.

Thanks to all of the wonderful cooks, fire makers, potato peelers, masher Mike, ball pusher Christine, dancing Jill, and many many more.

Also a great thank you to John and Margo, great poetry, an entertaining evening. Happy Birthday to June Crowe, Ronnie Vasyli, Darryl Devenny, & Ken Whybird .Happy Anniversary to Peter & June Crowe, and Murray & Christine Jackson. For the month of April hope I haven't forgotten anyone.

Lake Mac Donald will be lots of R&R, maybe Kevin can teach potato pusher, and a good old sing along. Bring along your favorite music and a pair of ear muffs and we'll

sing along. See you there.
