## SECRETARY'S REPORT

This was a very successful rally at *Laidley Showgrounds* with a huge space for meetings and lovely grassed areas with a view of hills. The Activities were all engaging with the **Disc Bowls** (*Gay and Linda* and almost every male organised this), though cut to 3 ends, still lasted 2 hours with Club members playing mind games with each other. The **Members' Trivia Quiz** - about the life histories of PCCI members - was an absolute revelation - perhaps long overdue. We had no idea what interesting lives people have led! The **Dinner at Eagle Rock Cafe** (great decor) led to good meals (supervised by **Paul** - he hardly sat down) then a **Karaoke** session where quite a few members "took up their beds and walked" to bop along on the dance floor.

**Paul and Vickie** supervised this event, despite the fact **Vickie** was so unwell and they had to rush up on a Saturday morning - and then drive back that night, once all the meals were finished. Thank you!

This is my **last report** as **Secretary** for the newsletter before the Brackens go off to Victoria, or before our resignation (whichever comes first - our plans are in disarray). **Deepest Thanks** to **Bev and Elaine** who have agreed to be **Acting Secretary** for the months of **September** and **October** respectively.

### Options For *New Secretary - Weekender* Compared to *Week-Longer*

I have been canvassing P.C.C.I. members for a candidate to take on the role of Secretary.

- Up until Enda Bracken, the Secretaries have been **Week-Long Rally** Secretaries
- The only positive response has been from a **Weekender member**:- i.e. one that has a **job** during the week:- One that arrives at a rally on **Friday p.m.** (if lucky) or Saturday a.m. and is **gone** by **Sunday p.m.**
- This person will have to, during the week, fit the Secretary duties into **whatever gaps** the workplace allows
- This person will **not**, like *Week-Longers* be at the rallies for **5-7 days** where experienced members can casually and gently remind that person of things that need to be done. Everything will be compressed.
- I have just finished a 2nd Draft of a now **40-page Secretary's Handbook** that has step-by-step instructions & is heavily illustrated with computer screenshots. **But It Will Never be Enough! It Can't Be! Things Change.**
- I have made it clear to the Executive that a *Weekend Secretary* should be *relieved of some jobs* (Shopper Dockets; Raffle Rosters) so that the Secretary can actually *enjoy the rallies*. People have *already* offered. **Bev and Elaine** have offered unstinting support. Two people have offered to take on the *Shopper Dockets* and email them to the Secretary so that the figures can be reported to the **C.C.Q.**
- A Member has offered to become "**Apprentice Secretary**" to "look over the shoulder" of the **New Secretary**.
- This is **wonderful** - but the **General Club Membership** will also have to take a hand to ease things by:-
  - o **Filling In the Attendance Book** – **both** partners names; **both** signatures - it is a legal document that **protects you both** if you both record both entries at Rallies and Picnic In The Park
  - o **Fill in the Shopper Docket forms** - or write them in their categories on paper - to help the person who has to add them (2 lovely volunteers)
- If all members can do this, it will be so much appreciated. The Secretary - at a rally - cannot be a *walking office* or *pack-horse*. Members need be accepting of the possibility that what they may ask for something - and *it will not be immediately available* - and that they will have to - later - *email* this very busy Secretary asking for the item - and when time allows, it will be *emailed* to them.

## ACTIVITIES FOR *September*

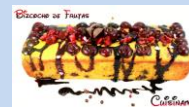

Organizers: Helen & Rick / Lyle

3:00pm - Afternoon Games

6:00pm - Shared Casserole & Dessert Meal

7:30pm - Quiz

### ACTIVITY REPORT

The afternoon activity of Disc Bowls was conducted under blue skies by Gay & Linda with assistance from Enda, Les and Paul.

It was ladies choice to pick a male partners name from the hat. Round one eliminated players, leaving four couples to battle it out in the semi-final. It turned out to be a very challenging final for Kim & Colin and Loretta & Rick. Not to mention the occasional foot fault and unusual throwing technic by some. Congratulations to Kim & Colin for being the overall winners and thank you to Gay & Linda for this enjoyable and favourite activity. Happy Hour followed where Paul revealed some well kept secrets from our members past... Thank you Paul for some surprising revelations. Dinner and entertainment at the Hard Rock Cafe was a big hit, everyone enjoyed the excellent food, service and entertainment. This is a remarkable cafe for a small town which has been flooded twice. Everyone participated in the singing and dancing and Les had a taste of singing country (with a little persuasion) and will probably be a Karaoke regular from now on. A big thank you to Paul & Vickie for organizing this activity as your attention to detail assured the evening ran smoothly.

The raffle was won by George & Maryanne. Happy Birthday to Bernie and Happy Anniversary to Jim & Rae.

Cheers **Debbie & Dave**

### NOVEMBER ACTIVITY at Lake Dyer.

Could all members supply a toddler photo of themselves in a sealed envelope with their name on a piece of paper in the same envelope. This is going to be a guessing game.

Feel free to dress up or dress down in Xmas colours if you wish, for a games afternoon from 1pm till 3pm.

Photos can be given to Loretta or Brian at either of the next rallies or at Lake Dyer before Saturday.

Thanks Loretta and Brian.

## ROVING REPORT

**Wednesday:** Deputy Marshalls Col & Lyle finally arrived after initially going to the wrong venue. They arrived to find 1<sup>st</sup> time visitors, Yvonne & Trevor already setup and having a lovely nap whilst waiting for others to arrive. Ron & Chris, and Loretta & Brian were next to setup. We arrivals had only just put up our awnings when dark and ominous clouds appeared. You could hear the roar of the wind in the trees ---- awnings were promptly put down, windows closed, etc, for the storm which passed over in the blink of an eye. All awnings were left in as the wind continued to blast our vans, however by night it was pleasantly cool. Four vans cosied up for the first night.

**Thursday:** Saw the arrival of 7 more vans and stunning sunny blue skies – what a wonder to behold for an August day. We stripped to short sleeved shirts and/or tops. Most of us either walked to town or took a drive and at 4pm all gathered for a very extended and enjoyable Happy Hour in a 5 star shed. Rod was delighted to purchase bargain firewood from a travelling salesman only to discover that Rick & Helen had supplied 3 bags of wood from their property for the weekend. However with a very chilly 2 degree night any firewood was appreciated. Some of us so cold we didn't even venture from our vans during the night.

**Friday:** One by one we slowly emerged from our warm, heated vans (just a tad toooo chilly for us) to another beautiful sunny 24 degree day. A further 8 vans arrived with Les & Bernie being the last arrivals at nightfall. Once again some went for a drive whilst others strolled/drove to town for the Friday morning markets. At 2pm a few of the ladies ventured to the '5 star shed' for an afternoon of craft, while Colin & Dave S played Backgammon and of course Happy Hour was another fun hour or 2. Colin welcomed visitors Yvonne and Trevor to the club. As another chilly night descended some of us opted to stay in the warmth of our heated vans, whilst others sat before Rod's impressive fire whilst yet again others decided the '5 star shed' was a warmer option than the fire. You got it – another 2 degree night.

**Saturday:** Another slow start as many of us feared facing the frosty morning but once we emerged (again to a magnificent 24 degree day), many of us gathered for a combined morning tea where our aspiring chefs shared their culinary arts with yummy offerings. Again some of us strolled to town, some of us had visitors, whilst others took a drive to take in surrounding areas. Our last couple to arrive were Paul & Vickie who had decided on just a day visit. Our first activity began at 2pm so, on that note, I will finish my report for Saturday and leave the rest to the Activity Reporter.

**Sunday:** Fortunately the night was a lot milder so quite a few of us ventured out of our vans earlier (well, at least those who did not need to recover from Saturday's night fun). Vans began to disperse at an alarming rate which left us with only 12 vans.

Cheers **Yvonne (& Noel)**

**Sunday Continued:** As Yvonne & Noel had to go home, I have taken over her report. Another beautiful day with a few clouds coming & going. After dinner it was back to the 5 star shed where 2 games of cards were played. Dave & Doreen and Dave & Debbie at one table and at our table, Les helped Yvonne R with a game of 'May I' (1<sup>st</sup> time for them both)... They couldn't quite grasp the concept of the game which was good for me as I won hands down, with Colin coming a close 2<sup>nd</sup>, with Gay coming 3<sup>rd</sup>.

**Monday:** We awoke to heavy fog which lifted very quickly to a lovely day. Unfortunately, after a lovely morning tea of more home baked goodies .... Loretta baking her yummy Anzac Biscuits in their van, we had to set off for home, leaving only 4 vans to carry on. **Editor**

Magnificent blue sky, but cold nights so not many went to Rod's fire this time, probably because of the smoke LOL

## PRESIDENT'S REPORT

We were a little late this month arriving in the dark on Friday evening. However it was a warm welcome around the fire and in the impressive hall at Laidley. Thanks to Col and Ken who helped us set up in the dark. Welcome to our visitors Trevor and Yvonne. We hope that you enjoyed the rally and will come back again. A great afternoon playing disc bowls and a fantastic evening at the Eagle Rock Café. Fantastic to see everyone up dancing. Thanks to our activity organisers, Gay, Linda, Paul & Vickie.

A big thank you to Enda for his work as Secretary for the past year. He has put a lot of effort into getting into the role and also making it easier for the next person to take on the task. He has brought his experience in dealing with difficult issues and his level head to the committee, both of which have been of great value. And of course his sharp wit lightens up any meeting. We are sorry that you and Linda will be leaving the club, you will be missed. We wish you all the best for the future.

As I mentioned at the rally we are looking for nominations for committee positions that become vacant at the AGM. Actually, all committee positions become vacant at the AGM so we need nominations for them all. As the current President and Secretary will not be continuing on committee next year we need nominations from different members for at least these two positions. In addition there is a need for assistants for the committee members to help when necessary and to fill in when the committee member is away. It was good to see the visitors at our committee meeting at Laidley, finding out how the committee works and how they might be able to help the running of our club. You can obtain nomination forms from Enda and the forms must be back with Bev, who will be filling in for Enda, by Saturday 19th September.

We will begin our travels early next week. We hope that you all stay happy and healthy until we see you in December.

Cheers

Les

### RALLY CO-ORDINATOR'S REPORT

First of all I would like to thank you all for the warm welcome to us both when we turned up at Laidley, from the U.S. Wasn't Laidley showgrounds and their facilities fantastic? I would like to thank Les for doing the sheet as part of my job and secondly I would like to thank Colin, our V.P., as deputy sheriff and his side kick, Brian, in parking your vans. I think I might have to watch my position as your Sheriff as we may have a couple of contenders here, as I got the feeling they loved the feel of the power!

Now for more serious business for our next rally to Kingaroy there is no gazebos required as we have the use of a hall, the cost is \$25.00 per night which includes the cost of the hall. Next thing is, those who are going to the State Rally, from Kingaroy, I will be leaving on Sunday and driving to Allora which is this side of Warwick and staying at the showgrounds overnight. It is \$15.00 per night and will make it a short run to Stanthorpe next morning. So if you wish to join me, please let me know then we can hopefully be near one another at the State Rally. If you are not going to Kingaroy and going to the State Rally then we will wait for you until 10.00a.m. on the Monday. If something happens and you are running late please phone me on my mobile 0421274206 and we will have a great State Rally, and remember it still could be cold.

Stay well and see you then

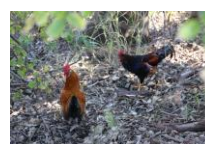

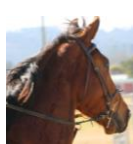

Cheers

*Sheriff Eric*
