Upon hearing this members are requested to proceed in an orderly manner to the site of the whistle or car horn bringing with them mobile phone, fire extinguisher, water bucket, fire blanket, torch and first aid kit*  
**POST CODE - 4580**

## ROVING REPORT

Our first event for the year went off with a snag and we combined this with bread and onions for a great lunch shared with club members and a group of visitors, who we hope, will become club members and friends. A great day was had by all and all I can say is come on Tin Can Bay.

Debbie

## The Apple Turnover Report

\No Report this month, John is still recovering from his holiday feasting.

## ACTIVITIES ROSTER 2011

**FEB 2012 – J&P Crowe/G.Gibson**  
**DINNER AT TIN CAN BAY COUNTRY CLUB**  
**Courtesy bus available**  
**MAR 2012 -**

## PRESIDENTS REPORT

Happy New Year to you all. I hope that is a good year for you. If the year has not started well then I hope it improves quickly!

It was great to see all of the happy faces at the picnic, including a good number of visitors, too many to list. There were even a few who we saw at Mudjimba and the Christmas party and they came back, which is a good sign of some new members in the coming months. The weather was good and the cooks were great, thanks Kurt and Mike. We even had an old friend there, the old tarp which turned out to be very handy. Thank you to those who helped erect it and pull it down. It seems so small now. How did we ever fit under there?

A big thank you to Dave Smith, he has offered to take on the role of Rally Coordinator position. As there were no other people interested at this time, the committee will meet shortly to sort out the formalities of appointing Dave to the casual vacancy. Debbie will be helping Dave out and Eric will continue to assist. If you think you can assist then let Dave know.

Our new newsletter editor is Debbie Howard, who will be requesting different people to be roving reporters. Please help out if you are asked and also offer to assist where you can.

We start off our rally calendar for 2012 at Tin Can Bay. See you there.

Cheers

Les

**Ph 4698 1269**

**DECEMBER-**

**No Rally**

**(Xmas Lunch)**

## **SECRETARY'S REPORT**

Hi Everyone,

Since becoming Secretary, there have been times when I have felt like this, but after some phone calls and emails to Les and Bev I am getting there.

Our first activity for the year, Picnic in the Park at Brighton was very enjoyable. It was great barbecue weather, lovely catching up with everyone again and also meeting our new visitors.

Thank you to those who helped out on the day. Looking forward to seeing everyone at Tin Can Bay next month..

Everyone take care

Cheers

*Elaine.*

## **TREASURER'S REPORT**

Thank you to everyone for making our Picnic a good one on Saturday, especially having so many new visitors attending. It was good to see everyone after our short break.

A big thank you to who supported our raffle. We raised \$135.00, I think this is a record.

Thankyou Alan & Lorraine for organising it, Ron & Chris Vasyli were the lucky winners, although Ron took his time at folding & placing his tickets on the top of the pile. Although Lorraine shook the container well, he still managed to win. LUCK was on his side that day.

Hope to see you all at Tin Can Bay next month.

Mr Mac says hello. \

*Vicki*

January Picnic in the park.

## **RAFFLE ROSTER (prize value \$20.00+ tickets)**

**JAN 2012 - Committee**

**FEB 2012 - Peter & June Crowe**

**MAR 2012 - Mary Huxley**

If you are unable to attend your nominated rally please get in touch with the next member on the raffle list. Should you be unable to find a replacement from this list, contact the Secretary

## Wherever the road may take you...

### The B.E.S.T. solution for BAD water!

Our BEST SELLER - The B.E.S.T. Alternative Inline is a 1-micron (town / pressure systems).

### The B.E.S.T. Inlines is available with either:

- Hose connections (into your hose line); or
- 1/2" threads and clips (inside plumbing).

### WHAT'S IN IT??

Our 1-micron Inlines contain:

- Silver Coated Crystals to kill harmful bacteria;
- 1 Micron Membrane to stop dirt, parasites, etc; &
- High Quality Carbon for chemical removal, etc.

*B.E.S.T. Inline Cutaway shown above*

#### Self-Sanitising

*Aust. Made filter designed for travellers that kills bacteria – not just trap it like modified house models!*

#### Compact

*56 x 285mm - Can be easily stored with hose or mounted in any direction.*

#### Reversible

*The only filter that allows you to reverse it - giving you the maximum life.*

#### Long Life

*Rated to treat 5000L- Sealed unit for strength and to prevent leaks. Safe to use after periods of non-use. Simply flush and continue use.*

**A note from the Editor**

As this is my first newsletter please excuse any mistakes and omissions. As I am new to this position, please help me when I need roving reporters and input from you all. This is your newsletter and I am only the editor not the journalist. I would also like to thank June for all the information she gave me, this made my first Newsletter so much easier.
