### ROVING REPORT

**Wednesday:-** all the early birds arrived setting up camp in front of the huge hall, kitchen and amenities. Beautiful spot on the lake. They copped a huge storm that night all hoping that each other were safe in their vans. Didn't last too long but all were glad to see it pass.

**Thursday night:-** was bowls night. A few of the guys set up the pins and decided to use a basketball to kick and knock them over. Lots of fun and laughter.

**Eric** set up his car track for the week and it was enjoyed at different times. The hall was fabulous. Plenty of tables and chairs. A lounge and T.V. set up in a corner, a ping pong table which got a bit of use, and sooo much more. A huge kitchen which was used to the max over the week. Just brilliant.

**Friday:-** there was a continuous stream of vans arriving and everyone was catching up in the sun in front of the hall. Some of the men were out hitting golf balls. **Bev** had made a huge pot of soup for everyone to share as the cold night air set in. A fairly early night was had by all.

**Saturday:-** And in came the westerly winds. Quite chilly at times. Lots of catching up with each other, sight- seeing and some even visited friends near by. Quite a few were preparing meals for the pasta dinner that night. Happy Hour was fun with a lot of birthdays in June - they were all spoilt with lolly bags and the ladies even got a tiara and matching earrings. And **Dave & Debbie** celebrated their anniversary.

Once again, many beautiful dishes and sweets. After dinner **John M** played his guitar and sang. What a talented man. And even **John Hunter** played his bongo drums. Enjoyable evening was had by all.

**Sunday:-** What a glorious day. The sun was shining, the lake was glistening and everyone was sitting in the sun for morning tea, and for some, their final chat before heading home. Another well organised weekend by the committee. Lots of good company, laughter and fabulous food.

## **PRESIDENTS REPORT**

Well Glengarry was a 'boot camp' with a difference, we had the big blue boot but not much serious exercise! It turned out to be a really nice weekend, a bit of wind on Saturday but a beautiful morning on Sunday. A big welcome to our new members Rod and Gayle, and welcome back to Dave and Debbie from their trip. Thanks to our activity organisers, Bev, Warren, June and Peter and also to Macca for his concert after the quiz. Thanks also to the cooks!

We have moved our AGM from October to November this year because of the National Rally at the end of September and also the proposed tag along after the National Rally. There are a couple of committee members who are retiring from the committee at the end of this year so the Club will need some more members on the committee to help keep our Club running smoothly.

As I mentioned last month we still need the activities for the rest of the year to be sorted out, so can you please let John know what you are intending to do.

Our next rally is at Yarraman. Unfortunately we will not be able to attend as I have a conference in Launceston that I need to go to. So see you in August.

Cheers

**Les**

## **SECRETARY'S REPORT**

Hi Everyone,

Once again it was lovely to catch up with our friends again. Although we had a lot of windy weather, we did manage to find places to soak up the sun out of the wind. On the days that it was just too cool to sit outside, it was great to have a huge hall to congregate in.

Having such a huge kitchen was great especially for our pasta night. Thanks to **Warren, Bev, Peter** and **June** for the **Music Quiz** night and also to **'Macca'** and **John** for some extra entertainment.

Welcome to the club **Rod & Gayle**.

The usual stayers enjoyed a couple of days of lovely sunshine before it was time to pack up and head off home for another month.

Total of the **Shopper Dockets** for this rally came to **\$1545.86**

Till I see you at Yarraman, everyone take care and keep well.

Cheers

**Elaine**

## ACTIVITY REPORT

**Friday night** - **Bev** welcomed everyone with a bowl of homemade soup.

This was to soften the blow for those that would normally eat out on Friday night.

Great soup **Bev**, it was much appreciated.

After dinner we were entertained by **Les and Bernie's** slide show of **Northern Ireland** projected onto a large screen. A second **noisy group** were watching the footy on TV competing with **Les's** narrations but it was all OK.

**Saturday night** brought the most anticipated pasta dinner. The kitchen was crowded most of the day with those making or finishing off their dishes for the evening meal.

Table cloths came out with bottles of wine etc. but no candles as it was too windy.

The desserts that followed were really yummy. Thanks to everyone, we shared many varieties of pasta and selection of deserts. Thanks to those who volunteered to **clean up**.

We then settled into the **Musical Quiz Time** with a twist. The first quiz was presented by **Warren** followed by **Bev's Twisted Questions**. Both of these quizzes were challenging for most of us with **Rob & Di** just beating **Enda** for the first prize and **Dave H** getting the loser's prize. Lots of lollies for everyone so none of us missed out. Thanks guys.

To finish the night off we were lucky to have **Macca** and **John H** entertain with great music.

**Macca** was playing the guitar and singing and **John** supporting with his bongo drums. The highlight was the band **Macca** selected to play pretend instruments – it was questionable what **Dave S** was playing but **Helen H**, **Warren** and **Les** gave Macca great support.

What a laugh. It was very funny. Thanks **Macca** and **John**.

Overall it was a great weekend and a terrific facility. Nice to see the golfers enjoy the environment.

The facilities in the massive shed encouraged many of us to get involved from table tennis, **Eric's** car racing, basket ball hoop, pool table and lots more.

Thank you **Bev**, **Warren**, **June** and **Peter** for arranging the activities.

Simply a great rally and a fun time.

*Dave & Andy.*

## PCCI Reporters' Job Descriptions

The role of the Editor of the PCCI Newsletter is to arrange input from different club members acting as **Reporters**.

*This is to ensure that there is both:-*

- a **cheerful** "non-official" **honesty** about the success or otherwise of a particular Rally - it's venue, the facilities, the weather, mishaps and the non-organised activities that occurred.
- a **light-hearted tone** so that different member "**voices**" or **styles** be heard - so as to break the monotony of one style permeating the publication from month-to-month.

However, *more and more* members have joined - and the club has gotten bigger, and will get bigger - and there will be a turnover of members.

There is now a need for newer members, who have volunteered/been press-ganged to report for an issue to be given some guidelines so that they know what they need to cover. (The Acting Editor has gone back over the last 3 years' issues and recorded who have contributed reports - so that they are not "flogged" repeatedly).

(The Acting Editor has gone back over the last 3 years' issues and recorded who has contributed reports so that the same lovely people are not "flogged" repeatedly).

### By-and-Large the Duties are:-

#### ROVING REPORTER:-

- Summarises the **Day-To-Day Events**/ Conditions of the **Rally** By:-
  - Asking People who arrived *earlier* what went on (spontaneous tag-along; group visits to pubs & clubs) notes; weather events; difficulties; pleasant surprises- and taking for your report
  - Observing events from the moment Roving Reporter arrives until her/his departure - **use spies**
- Report On and Name any **Visitors**
- Report On Any **Inductions**

#### ACTIVITIES REPORTER:-

- Report on the nature of the **Organised Activities**
  - Description of the Activity(ies)
  - The **organisers** - and acknowledgement of their efforts and ingenuity as many of them may be doing this for the first time
  - The degree of **involvement and intensity** of members in the activities
  - **Humorous** events (without embarrassing the participants) occurring during Activities
- Report on **Birthdays** and **Anniversaries** Ceremonies
- Report on the **Raffles** winners

#### GOSSIP LINE REPORTER:

- The Reporters have been signing off with their *own names* lately (once, they were allegedly anonymous ) - **however either approach is OK.**
- The **Gossip Line** reports on accidents, mishaps and quirky events during the rally. The tone must be gently humorous.
- **No Names** are reported - just the event.

All Reporters should note the **Club Rules** about the newsletter:-

**"To maintain and protect the integrity of the club, the newsletter editor must ensure that each edition contains no contentious, malicious, defamatory, profanity or sexually improper commentary from any source."**

**It Does Not Matter** if the Roving Reporter, Activity Reporter, President, Secretary, Treasurer or Rally Co-ordinator happen to **double-up / overlap** on certain topics in their reports.

We just want a complete, relaxed picture of the rally
