JILL'S JOTTINGS

Hello to all from the Beef Capital of Australia,

Rockhampton.

Mike, congratulations once again on a picture postcard camp site, two minute walk to the beautiful rain forest, a great break away from the hustle and bustle of our daily lives.

Early arrivals during the week set the pace for organized parking allowing almost everyone a view of the lake although it has to be said someone pinched half our views when they arrived on Friday, she does an excellent job with the Social Activities I won't mention her name or Stephen (oops!) and I believe that Dodgee Brothers were involved in the "cover up" as well.

Saturday frivolities started early which was great as it gave everyone a chance to witness some quite "exotic" poses whilst placing those spuds in the cups.

Not much rest after dinner for those energetic enough to dance the night away as others sang with gusto to old but good music, even the littlies in the camp kitchen were seen to be bopping about, no doubt led by Fred and Black Stocking Man. One of the best night's this Editor has enjoyed.

PRESIDENT'S REPORT

Lake Macdonald, what a lovely place. So peaceful and GREEN! We seem to be blessed with the most wonderful venues that continually evoke excitement, as that third weekend of each month comes around.

As is stated in a separate section of this newsletter I collected the Redcliffe Leagues Club \$100 sponsorship cheque from Trent. He mentioned that the club is to raffle a \$60,000 caravan and there are a number of consolation prizes of Winnebago trips. All for \$5.00 a ticket. I have offered to collect a book and sell some to interested PCC members so I will keep you informed.

I will also send him the CCCQ email address so that he can inform them as well. Who would not want to win a \$60,000 caravan?

I have been reliably informed by the Office Of Fair Trading (OFT) that the new legislation regarding the non audit of small clubs financial books has been passed by the state Govt and that they are awaiting it being listed in the gazette prior to officially notifying all clubs. What this means to us is that we will not have to spend some \$400 per year having our books audited.

As a consequence I will be talking with the committee to see if we can come up with some acceptable way that we can give something back to you the

members . Some ideas already being offered are caps, vests, plastic van levellers, covering the cost of the official rally day of Saturday and paying for a meal. Time will tell if we are successful.

Lastly I advise that there is planned a general members meeting to be held at Beachmere rally on Saturday afternoon at 3.30pm to discuss and vote on the following:-

I propose that the following rule be inserted at Item 35 "Committee" in our by-laws and would become (d):-

"Spouses or partners are not eligible to hold office on the management committee during the same term of office."

See you at Beachmere.

Kevin

RALLY COORDINATOR

Well we all agree that this venue was great considering it was a last minuter replacement for Pittsworth and with a turnout of 17 vans was great support from our ranks. Thanks to Neil & Faye who started me off in that directions.

Whilst Enid & I couldn't be there with our van we certainly enjoyed our visit on the Saturday and I presume I did win the raffle.

By the way everyone was enjoying themselves I would assume it would be quiet easy to go back there and do a big cook up in the great kitchen facilities they have to offer.

Also many thanks to Dell for the magnificent birthday

cake, you really didn't have to go to that much trouble but it was really appreciated. Well I guess we will see most of you at Beachmere in June I will be back to you with more details on that in a little while.

Thank you all for your support.

Regards
