## **PRESIDENTS REPORT**

**I** hope all who attended the State rally had a great time and look forward to hearing the stories.

**A** reminder that the AGM will be held next month at Mudjimba. If you have anything that you wish to put on the agenda then let Bev know as soon as possible. The committee is finalising the details which will be sent out with the AGM notice. The current intention is to have the AGM at 3:00 pm on Saturday with a barbeque dinner after happy hour. As this will be the club's sixth birthday we thought we could make it a 60's party, so come dressed up as something from the 60's.

**T**hank you to all those who have offered to help the club by being on the committee for 2012. We have nominations for all committee positions. However we are still looking for somebody to take over as newsletter editor. Since the changes a couple of years ago this is not a committee position, but it is an important part of keeping everyone in the club informed. If you think you may be able to help then talk to June or one of the other committee members.

**W**e have had some interest in joining the club from our advertisement. If you know of somebody who may be interested then encourage them to come along to one of the rallies.

See you at Mudjimba

*Cheers...Les*

## SECRETARY'S REPORT

**H**i All, First of all I must say to the members who could not attend the State rally you missed out on a fantastic time. I must also say that Eric, Jim & Rae, Alan & Lorraine did your club proud with their involvement in everything, from helping and participating in all activities. I will also be encouraging all to attend next year's State rally at Beaudesert and also the National Rally in 2013 at Rockhampton.

Nominations for Committee positions are completed, and I hope everyone will attend the AGM at Mudjimba next month.

See you all then.

*Cheers...Bev*

THE ATTENDANCE BOOK; Please remember to sign when you arrive. This is signed for insurance purposes

## TREASURER'S REPORT

(No report as it was a State Rally)

## STATE RALLY REPORT, MARYBOROUGH, 12<sup>th</sup> to 19<sup>th</sup> OCTOBER 2011

Jim and I left home on Monday the 12<sup>th</sup>, and headed for Standown Park for an overnight stop, which we enjoyed, gave us a chance to rest up before the hectic time ahead of us. We left around 8.30am Tuesday & went up the back way to Maryborough, a good run with no traffic until we hit Maryborough itself.

We arrived at the Maryborough showgrounds around 9.30 Tuesday, we were parked in the Special Need area, which came to be known as the Geriatric Ward. After setting up the van we went off to find out what was needed of us for the rest of the day. We went to Hall 3 after lunch and were put to work filling the welcome bags, all 250 of them. There was a real production line of people moving between 2 lines of tables filled with the bits and pieces to go into the bags. Many hands made the work go quicker. At 4 pm. We all arrived at the office to register. I finished up sitting outside the office collecting the names and clubs of all attendees on special sheets of paper, which were to be used to make placemats for a special prize. After all of the early arrivals had registered the office was closed and we all headed off to our vans for tea and a goodnight's rest for the busy time ahead.

### **Day 1 Wednesday**

Jim and I woke to discover that we had a flat tyre on the Ford, so had to find a tyre repair mob, luckily there was one advertised in the Fraser Coast Booklet we had in our Welcome Bags.

The first van arrived at the gate at 7.45 am, and by the time the gates opened there were a few more waiting. Wednesday was very busy with arrivals, and I was again collecting signatures for the placemats. Luckily the office closes for lunch so we did get a short break. Bev and Eric and Alan and Lorraine arrived to check in at the office just before lunch, it was great to be there to greet them. While collecting signatures during the afternoon, I watched the line dancing lessons, very entertaining. Wednesday night was trivia night, but we did not attend that.

### **Day 2 Thursday**

Bev worked in the office, and Lorraine took over the collection of signatures, Jim and I went into town to get the tyre fixed, but no luck, we had to get 2 new ones, and they had to be bought up from Brisbane. So we went to IGA got a bit of shopping and I bought Jim a car for the Drag Racing. He tried his car on the track in the hall and thought it a goer. At 2 pm. Jan Facey a bush poet entertained in the main hall, Alan, Lorraine and I were there to hear her. She is a Qld champ. And she gave a good recital. This was followed by a Fashion Parade put on by Millers. Which was good and the models and Compere did a good job, the most popular model was (Miss) Lesley Usher, who showed of "Her" fashion very well. At 7 pm. There was a presentation on the National Rally to be held in Rockhampton in 2013 all of us but Jim attended, and all were impressed with the presentation. We have all registered for the National Rally and are looking forward to it, at this time there are just over 300 vans registered, and they are hoping for about 600+ to arrive.

### **Day 3 Friday**

Some of us were woken at 4 am by a big storm, a sign of things to come. Lorraine, headed off on a Bus Trip to Hervey Bay to go on the Whale watching tour. She really enjoyed the trip, some of the passengers were sea sick, as it was a rough trip out, but Lorraine was not one of them. Bev, Eric and I attended the CCCQ meeting in the Main Hall, a report has been sent to our committee about this. I should point out that due to some unforeseen problems next year's State Rally will be held in Beaudesert and not Warwick as originally planned.

It was another busy day for all, with plenty of entertainment available. Jim and I returned into town go get our new tyres fitted, several dollars lighter we returned to the showgrounds for lunch, and to rest for the evenings opening ceremony. We all met up at the hall and it was great to see Bev and Alan parade our banner through the hall, and then to see it hung high with all of the other flags from the attending clubs.

*continued*

The opening ceremony started with a visit from the Maryborough Town Crier, and Mary Heritage. The Town Crier welcomed us then Mary Heritage and President Ken fired the welcome Cannon, The official opening was then performed by Chris Foley M.P. and we were warmly welcomed by Maryborough. After the ceremony we were entertained by 5 young people who are all attached to the Brolga Theatre, they all had their own style of singing, and were all very entertaining. The youngest was a girl of just 15. We discovered that there was a Mr. Whippy style ice cream van outside, so off I went and we all sat enjoying the treat, and listening to the music.

#### ***Day 4 Saturday***

The day dawned and the clubs were busy setting up their market stalls. The market opened at 9 am. And we all went to see what bargains we could find. We all looked at what was on offer, and spent a bit of our hard earned cash, some good bargains too. At 10 am. The Drag Racing started, so the next couple of hours were spent watching the boys and girls with their toys. A lot of fun was had by all; I think Eric had the best car in our club

During the Drag Racing, we were surprised by a visit from Jan and a friend, who had come to visit us at the Rally. Owing to the expected bad weather, Jan was unable to stay all day, but we were all pleased to see him there. Once again there was more entertainment available during the day for those who wished.

At 6 pm. It was time for the catered dinner; we were all sitting in our finery, ready for Dinner and the Op Shop Ball. Bev and Lorraine both looked stunning in their Op Shop finds; Eric looked dapper in his Op Shop suit and hat. Jim and Alan looked smart too, a group to be proud to be seen with. I was the only one not in op shop gear. Dinner was served, very nice too, beef or chicken and vegetables, we were all sitting and enjoying our meals when the rains came, and boy did they come, we were all in the big basketball hall which had louvers around the top, the wind was so strong we were getting sprayed with the rain coming through the louvers, and the water was pouring down the walls too. People were sitting at the tables eating their meal with umbrellas up, a sight not to be missed. It will take some beating as entertainment. I must say here that we did not get too wet, as the mist was very fine. After the meal we were entertained by Shane and Dolf, who were very good, with lots up dancing to the music. There was a parade of the Op Shop garments, and prizes were given out to some lucky recipients. Early in the evening Lorraine had discovered that another lady was wearing exactly the same dress, in the same colour, and there was some joking about that, but during the parade it was discovered that there was another dress the same but in a different colour, all dresses were bought in different suburbs.

#### ***Day 5 Sunday***

I started the day with the catered Breakfast in the Hall, which I did enjoy; I didn't have to cook it. There was a lot of entertainment available again, I did attend the CPR Awareness, and found it interesting. I also went to see the Photo competition, some really fantastic photos, the winners deserved their awards. I also visited Bev in the office for an application form for the National Rally. 6.45 pm saw us all seated in the hall ready for the drawing of the raffle and the closing ceremony. The raffle was drawn, there were 83 prizes, it got to no. 69 before we had any success, Alan & Lorraine won an Aussie Escape voucher for a Caravan service, for a single axle van. That was the only success we had. (Their van is double axle) Ken then introduced the guests for the night, Joanne Faulkner from the Flying Doctors, Thea from the Fraser Coast Council, and Councillor Gerard O'Connell. The awards were then made, The attendance award went to the Adventurers Club, Prizes then given for the Disc Bowls, and the Van prize for the day was the Place Mats made from all the signatures collected. The Treasurer then presented a cheque for \$7,500.00 to Jo from the Flying Doctors. She accepted gratefully on behalf of the Flying Doctors. I estimate that the Caravan Clubs have donated approximately \$30,000.00 over the last 5 years that Jim and I have been attending the State Rallies. A cheque was then presented to Thea for \$17,500, being the 1<sup>st</sup> payment for ground fees etc. A second cheque will be passed over when electricity etc is finalised. Councillor Gerard O'Connell then closed the rally, thanking all for their attendance, and for what they have put into the area over the past week. The Flags and Banners were then lowered. We were then entertained by the Ramblers. I have since learned that they had trouble with the sound mixers, and were all very unhappy with the way they sounded. Someone unknown had fiddled with the equipment. Even the sound expert Doug, couldn't help them. Lorraine, Jim and I again enjoyed the fruits of the Ice Cream Van before we went home to bed.

#### ***Day 6 Monday***

9 am. Saw Lorraine and I waiting at the gate for the bus to take us for a river cruise, and Heritage tour. We chugged up and down the Mary River on Mary (the boat) at the great speed of 8 knots. The Captain, Dennis was very informative, and the trip was interesting, we were served a BBQ lunch on board, and the 2 cooks are to be congratulated, the meal was enjoyable, and they didn't have a lot of room to move.

They certainly knew what they were doing. After the river Cruise, Mary Heritage joined us on the Bus and we toured around Maryborough. What a town, and what an interesting History. We saw a lot of old buildings, and even more old houses. A town well worth a visit. Saturday evening saw us all getting into our glad rags and catching the bus to the R.S.L. for dinner. A very good meal with good company. We headed back after the meal and there was an entertainer in the hall, Bev, Eric, Lorraine and Alan stopped in, and enjoyed what they saw and heard.

#### ***Day 7 Tuesday.***

Club Drag Racing Competition was held, with 10 clubs entering a team of 2 cars. Eric and Alan represented us, and they had a lot of fun racing their cars. Alas they were not the winners, but were certainly not disgraced. We have learnt which the best cars are, so are on the lookout for some to race at Beaudesert next year.

*continued*

The winners were from QCC. Jim and I drove up the hill for Happy Hour, the first time we had been able to join the others, it was such a busy time, we didn't have time to socialise even though we were only a couple of hundred meters away.

At 7 pm. Julie Paris and David Moyes, the Entertainers from Monday night returned, and were worth going to see. Julie had the crowd joining her singing songs from the 60's. The winning shoppers Dockets were drawn; alas we had no luck there either. There was also a few door prizes, and we couldn't win one of those either.

The entertainment continued, with everyone singing along, and remembering the songs of our younger days, another good night had by all. At the close of the show we wished everyone goodbye, and retired to bed ready to pack and head to all points north south east and west the next morning.

We all enjoyed a very good rally, and all volunteered to help where we could, Bev in the office, Lorraine did a stint in the office, I did the placemats and other bits and pieces, Alan and Jim did security on the gates, and Eric helped with the water collections. A good time spent with good friends. We attended seminars and talks that interested us, and learnt a lot, I know we are all looking to the next State Rally at Beaudesert in 2012.

We all met many new people, and ran into people we had met before. A total of 239 vans attended the rally, and it was good to see so many faces we had seen before. Roll on Beaudesert 2012. We left Wednesday morning and headed back to Standown for a few more days before the trip home.

ROLL ON BEAUDESERT!

*Reporter...Rae*

*Friday 14<sup>th</sup> October 2011*

We departed from the Maryborough Showgrounds at 7 am by bus to Harvey Bay with 74 passengers in 2 buses for what was to be a day in my life that I will remember for the rest of my life. We arrived at the Marina at 8.15. and boarded the boat Spirit of Harvey Bay a 24 metre catamaran with six viewing decks spread over 5 levels complete with under water microphones to listen to the Whales calling The boat also has under water viewing areas for spectacular vision of the Whales in their play ground We departed from the Bay and headed out into open water to find some Whales. On the way we were served morning tea. The water was choppy but the boat handled it well the twin hulls cutting through the water pushed along by the powerful motors sending up huge white sprays from the sides. We soon found some Whales with calves some were feeding off their mothers. Over the next few hours we spotted 14 Whales with their calves. They are truly remarkable Mammals the bond between the mother and the calf is so strong I do not know how anyone could harm them. For lunch we had a delicious buffet meal of chicken silver side ham with assorted salads On the return journey the water was a lot calmer as we entered the bay the boat took us along the foreshore for a sightseeing tour of the coastline and then back to the marina and on to the bus for the return journey which ended an unforgettable experience.

This Rally has been absolutely awesome with excellent entertainment and activities well run and very well organised by far the best Rally we have ever attended everyone joined in and was very friendly and outgoing we can't wait until the next one.

*Reporter...Lorraine*

We have had an awesome time at the rally and I mean AWESOME; everyone has been very friendly we have all been helping with different things such as security on the gate and work in the office, the car racing was a lot of fun.

*Reporter... Alan*

*Editors Note; On behalf of all the club members I would like to thank Rae, Lorraine & Alan for their excellent reports on the State rally, I'm sure we all wish we could have been there.*

### **ACTIVITY** for Mudjimba Rally (Saturday)

We will be having a takeaway lunch from The Loaded Lizard at about 1pm. If the weather is ok we will go across the road to the park for lunch, if not then we will have lunch under the tarp. Members can check out the takeaway menu from the following website. [www.theloadedlizard.com.au](http://www.theloadedlizard.com.au) This menu also has gluten free. If I can get orders in the morning the chef will try to have our meals ready around the same time.

After lunch before the AGM we will have a fun trivia game.  
*Organisers ...Alan & Debbie*

**Congratulations & Happy Birthday** to our club we are now officially Six years old. Let's celebrate; Come dressed up as something from the 60's to the Barbeque Dinner after Happy Hour.

### **TRAVEL NEWS - David Hellewell**

October 6 at 12:14pm; bogged at Ningi gully. Rained all night. Red soil just like a skate rink. Had to get a farmer with a tractor to pull the car and caravan out. Now at St George - has been raining.

October 11th at 4:55pm; Free Camping 50 Kms SW of Broken Hill. Adelaide tomorrow.

October 13<sup>th</sup> at 2:24pm; In Adelaide. Camping at Modbury

October 21<sup>st</sup> 2011, at Stanthorpe. Home tomorrow after 5,000km round trip. Might sell the caravan as it is too big and I am using too much fuel. Anyone interested at about \$35K. Want a smaller one but Andy still wants the toilet and shower.

### **GOSSIP LINE - Saturday 22<sup>nd</sup> October 2011**

Peter & I were out at North Lakes Shopping centre when we met up with past members Max and Judy Martin. For those who do not know Max & Judy resigned from the club due to health problems, sold their house & purchased a larger caravan to live in & spent some time around the Tweed area. About a month ago they came back to visit family & were planning a month of travelling; four hours after starting out on the road their van started to sway & became out of control & both vehicles rolled & were a complete right off, blocking the D'Aguilar Highway for four hours. Both of them and their little dogs were extremely lucky to have survived. Judy said when two young men pulled her out of the car she did not know if she was still here or not. They are living at North Lakes at present & have purchased a Winbeager motor home – no more towing of caravans! They asked to be remembered to club members who knew them & hoped to catch up sometime in the future.

*June*

**DELEGATES REPORT-CCCQ Meeting at Maryborough, 14<sup>th</sup> October 2011**

Warwick (2012). There has been a change of people running the showgrounds, Ken wrote to the new people and received no reply and had no satisfaction with the contacts so the rally at has been cancelled, a big mess. A letter has been sent to Beaudesert to book their showground instead. Ken reported that they have been to check Beaudesert, and there is plenty of room for the rally.

It was reported that if you have Swap and Go cylinders, these must be swapped by Swap and go Agents, it is illegal for any other gas dealer to refill them.

A question was asked about the change in the disc bowls rules. It was explained that the rules have not been changed; they have been clarified to make it easier. The new rules will be available on their web site.

Moreton Bay Council; There has been a lot of correspondence with the council about the dog's policy. No dogs or cats allowed at Council run Showgrounds; it is possible that leased parks may have their own dog policy. Birds in cages are permitted.

*Maryborough State Rally arrivals; J&R Williamson, E&B Byng, A&L White.*

Congratulations to those who attended the state rally, it sounds like you all had a great time as well as volunteering your services to help the organisers, and I'm sure you all enjoyed a "cold one" at the end of each day. I bet Rae will have taken some great photos.

For those attending the rally at Mudjimba –this is a council leased park & do dogs are allowed, you will pay on arrival at the office & the Manger will direct you where to park. Looking forward to seeing you there,  
Have a safe trip.

*Regards...Peter*

## Safety Tips

**Fire** Extinguishers are required by law to be carried in all types of caravans and they must be in a serviceable condition. First tip is, do you know where yours is? And a Fire Blanket.

**Power leads** to caravans must be rated at 240 volts - 15 amps and under no circumstances should a 10 amp lead or an adaptor lead be used instead. There are specialised electrical apparatus available for connecting caravans to 10 amp electrical outlets. After plugging in the "socket end" to the caravan, you should always play out the excess lead over the ground so as not to leave it in a coil.

## Wherever the road may take you...

### The B.E.S.T. solution for BAD water!

Our BEST SELLER - The B.E.S.T. Alternative Inline is a 1-micron (town / pressure systems).

The B.E.S.T. Inlines is available with either:

- Hose connections (into your hose line); or
- 1/2" threads and clips (inside plumbing).

### WHAT'S IN IT??

Our 1-micron Inlines contain:

- Silver Coated Crystals to kill harmful bacteria;
- 1 Micron Membrane to stop dirt, parasites, etc; &
- High Quality Carbon for chemical removal, etc.

*B.E.S.T. Inline Cutaway shown above*

#### Self-Sanitising

Aust. Made filter designed for travellers that kills bacteria – not just trap it like modified house models!

#### Compact

56 x 285mm - Can be easily stored with hose or mounted in any direction.

#### Reversible

The only filter that allows you to reverse it - giving you the maximum life.

#### Long Life

Rated to treat 5000L- Sealed unit for strength and to prevent leaks. Safe to use after periods of non-use. Simply flush and continue use.
