Newsletter September 2006

Hi Folks,

Once again it is my pleasure to report on our latest Rally. We had 16 vans turn up at Mudjimba, the first arriving on Wednesday and the last on Saturday.

The early arrivals had a bit of rough weather on Wednesday and Thursday, but after that it was still wet at times but we were able to survive it, and a good time was had by all.

Each afternoon Happy Hour was spent in a vacant parking space near the back fence. On Friday afternoon, Bev and Fred issued Name badges to the new members, so they now know who they are.

On Saturday afternoon the Park management passed over a rather large box of strawberries, much to the delight of many of our members. They really were tasty.

During Happy Hour Kevin inducted our newest members, Max and Judith Martin. Welcome to the Club.

The raffle supplied by Jim and myself was drawn and won by Ken & Julie.

On Saturday evening we congregated on the road and had some fun and games, which were organised by Dell and Kathy. Thank you girls, I know this was a last minute request made of you, it was fun.

Once again members started leaving on Sunday morning, after which those still there were treated to a delightful morning tea of, sausage rolls, chocolate peppermint slice, and lemon coconut slice all made by Eric, and Marshmallow slice supplied by Jill. Talk about spoilt, I don't think too many were eating lunch after that. Thank you both for the great tucker.

Sunday Night was spent at the BBQ area, where there was a lot of good conversation and fun before we all headed back to our vans.

Monday saw the departure of more vans. The last vans were leaving over the next few days.

Once again a very successful rally, with all members enjoying themselves with good friends and companions.

ANNUAL MEMBERSHIP FEES

The annual fees of \$40.00 per van are now due.

To those members who were not at the last rally, you may pay your membership fees in October at Bongaree, time and place to be advised.

PRESIDENT'S REPORT

Hello Everyone,

During our last rally to Mudjimba, it was interesting to witness the efforts some made to capture, oop's, I mean sign up people who they had wanted to nominate for the committee for the club for the new year. I swear that I even saw a nomination form on the park's notice board!

For those who were unable to attend Mudjimba may I say that you missed a most glorious place, so peaceful and pretty.

For our AGM at Imbil it would be great if we could get 100% attendance and I ask that you all give it some serious consideration.

Lastly I remind all that have not paid their renewal fees, that they are due on or before the 30/9/06 and after that date you are considered to be in arrears, but have until the 30/10/06 to clear the arrears. After this date you will be considered a non-financial member and as such can have your membership terminated. For those that have not paid and will not be at the Bribie Rally, may I suggest that you post a cheque to either Les or Bev.

Anyway, I will see those of you going at Bongaree. Nappy city here we come!!!

Kevin.

RAE'S RAMBLE

RALLY CO-ORDINATORS REPORT

Well once again we had a very successful rally with 16 members in attendance. From the survey results for Mudjimba Rally, the response was that the park was an excellent park and that we should return. I have rebooked the park for next year and in the not too distant future I shall send out an updated calendar to all.

Our next rally is at Bongaree on beautiful Bribie Island and is on Friday 20th to Sunday 22nd of October. **Party Time**, celebrating our 1st Birthday. "Come dressed as a 1 year old"

The Willy Wag Tails had 2 chicks hatched prior to our departure on Wednesday.

THE MUD MAP

Take the Bribie Island/Caboolture exit from the Bruce Highway,
Stay on the Bribie Island Road until you cross the bridge onto the island.

At the first roundabout as you come off the bridge follow it around doing almost a U-turn and then turn left into Welsby Parade.

Follow Welsby Parade along until you reach the park, its right opposite the boat ramp.

If anyone has not let me know his or her intentions on attending Bongaree, could you do so A.S.A.P.

Please note, the dates for the November Rally at Imbil are Friday 24th to Sunday 26th November, and that I need to know who is going A.S.A.P. for booking purposes.

I have been asked to include this recipe from Jill into the newsletter, It was very tasty at Dickys.

Happy Hour Snack.

One High Tin Bread Loaf, with nice crusty top.

Filling

1 tin drained corn kernels (440g)

1 tin creamed corn (440g)

Few shallots or Spring onions, roughly chopped

4 bacon rashers

1 to 1 ½ cups grated pizza mix cheese

1 cup sour cream

Ground black pepper

Dash of paprika (optional)

Chop bacon into small chunks, fry in saucepan till cooked, stir in shallots, cook for couple of minutes,

Cool slightly

Add remaining ingredients, stir well, adjust seasoning, add more cheese or cream but don't let it be too soggy,

Cut the "lid" off the bread by slicing about 2" down careful not to cut the bread case itself.

Remove the "Bread" from inside the loaf and place loaf on pizza tray.

Warm filling then place in bread cavity, pop in mod oven for 30 minutes: meanwhile tear up the removed bread and lid into bite sized bits then place around the loaf for the last 15 minutes.

To eat, dip crusty bread bits into filling, as the filling goes down use sides of the bread loaf to scoop out the filling.

A very hearty snack, perfect with drinkies.
