### RAE'S ROVING RALLY REPORT.

Hi All,

Jim and I arrived at Imbil on Thursday to find the Coromal of the Byng's all set up with no one home, they had arrived on Wednesday, and had the area all to themselves.

We were closely followed by Alan and Lorraine. We all met up at the Coromal for Happy Hour, and returned there for Dinner. Followed by more drinks and talk.

Throughout the day, Friday saw the arrival of 5 more vans. Happy hour was enjoyed by all sitting in the open. Dinnertime found all at the BBQ having a get together. The girls did the dishes, then all went back to sit under the stars to enjoy good company.

On Saturday morning the Boys got together to put up some shelter. Jim couldn't find his tarp, so they improvised, with a blue tarp and shade cloth. Jim did eventually find his tarp, it was under the bed, so great fun was made of that.

During the morning Kevin and Kerry arrived in their brand new vehicle, a nice shiny silver and white Hyundai. The boys all gathered to inspect and discuss the new acquisition.

At 3.00 pm. We all gathered under the "Tarp" at which time Kevin inducted our newest members Tom and Bernie Fuller into the Club.

As the Hyundai was leaving a tree jumped out at it, it was a close call, with only inches to spare. Kerry was happy that she was not driving at that time.

Happy hour found all sitting around the fire pit, watching David cooking their dinner over an open fire. After dinner we all gathered at the fire and Nancy started us off on games. Very clever games too. After much laughter we all retired for a well earned rest.

Sunday was again spent relaxing and socialising, and trips into Imbil for the "Markets" and the arrival of the Red Rattler.

Sunday evening was again spent around the fire watching David and Nancy roasting their dinner in the camp oven. It smelt really good. David did supply a sample of his cooking for all, Tasted good too. We again congregated around the fire after dinner, with Nancy again getting everyone playing games, before we all headed off to bed once more.

It must be reported that the new toilet block is really good, and it is even possible for shared showers, so that one can have their back washed.

This is possibly my last report so a big thank you to all for all of the support I have received in the past.

RAE.

## PRESIDENTS REPORT

Hello everyone,

Well Kerry and I did not stay at Imbil this rally as we are attending the State Rally and thought that it might be a bit much for us two trips in a very short time. However we did take a drive up on the Saturday, mainly to have a detour via Kenilworth to check out the Show grounds of which we are booked to visits some time next year. It looked great, very green and the little town ship is about 1 minutes walk. The cheese factory is even closer. I for one am looking forward to staying there. We had a great day and as always I wished that I had made the effort to drag the van up.

Had a big scare in nearly reversing into a tree. It was VERY close. I almost rubbed out the side of the brand new vehicle!!!! Whew!!! I will have to learn quickly that seeing out the back is more difficult than the great view forwards. Perhaps I will just drive forwards in future and do what my sister does in her BMW X5 always park in a drive through site so you DO NOT HAVE TO REVERSE!!

If that was not bad enough on the way home just as we were about to turn off the Imbil Gympie road a 4X4 was madly flashing its lights and pointing down what seemed like the front of our car. I thought what now???? Then had to take evasive action to miss someone's exhaust system sitting on the road. I assumed that was what he was warning me about but my stress levels were so high I had to stop and check out the car but not before I had travelled a further 10 KLM's. Can't rush these things!!

The AGM is on at Seabreeze and we need a min of 15 people for a quorum so please give attendance some thought, even for the day. The details are contained in this newsletter. The AGM will be a quick one as we are not attempting to make any festivity of the event with the exception of the BBQ afterwards.

Darryl is hard at work preparing the end of year financials and these will be the first lot under the new Office Of Fair Trading guidelines where we do not have to involve an Auditor.

See you all at Seabreeze.

## AGM NEWS.

The AGM will be held at 10.30am on Saturday of the rally in October at Sea Breeze. It was intended to be held at the AGM at the Imbil rally but our club financial year does not officially end until the 30<sup>th</sup> of September and under our constitution we must hold our meeting after that date.

My error. Sorry for any inconvenience caused.

Kevin.

Please note that we are intending to have a BBQ lunch at 12.30pm on the Saturday after the AGM in October. At this stage BYO everything.
