Origins of the Town- Richard Smith tendered to set up a cattle run on the east bank of the Mary River in 1850. At the time Mrs Smith was reading Sir Walter Scott's novel "Kenilworth" and she decided to name the property "Kenilworth" after the novel. The town was surveyed off Kenilworth Station in 1921 and took the name of the Station. Kenilworth is a small town, with a population of less than 300, in the beautiful upper Mary Valley Country, behind the Blackall Range.

## STATE RALLY. TOOGOLAWAH 2010

### WEDNESDAY.

Leaving home early Wednesday, our members, Peter & Jill, Bev & Eric. Dave & Debbie, Warren & Elaine, Helen, Bernie & Les, Kevin, David G, Jim & Rae, Peter & June and Macca & Vicki met up at Harlin at the appointed hour, Alan & Lorraine were waiting for everyone on the road into Toogoolawah. We travelled in convoy to the Showgrounds, where after a wait to enter, we were finally directed to our sites. After setting up we all headed to the Rally office to register, and were presented with our Welcome Bags, 2 bags full of goodies. We met under David G's annex for Happy hour a time to relax and catch up with all.

### THURSDAY

In the daily newsletter, there is a list of lucky Van prizes, this morning Les & Bernie and Helen were on the list. Les, Bernie, Helen, Vicki, Jim and I were up and ready early, and at the gate at 8.30 am. We were off on a trip to Toowoomba to see some of the Champion Gardens. On the way we stopped at the Gatton Cultural Centre for morning tea. Beautiful scones too. Then on to Toowoomba where we picked up a guide for the tour. Our guide was very informative, and gave a lot of information about Toowoomba and the Carnival of Flowers. What Colour!!!, the gardens were fantastic, with so much work going into each and every one of them, we were taken to 3 gardens, then the Clivea display, then on to the Toowoomba Golf Club for lunch which was very nice. After lunch we were taken to the Grand Champion Garden, I whipped out and stayed on the bus, the others all agreed that it really was a super garden. We were then taken to Queens Park, where the flowers were colourful and fantastic. We arrived back at about 4.30 pm. everyone else had had a day of rest or done their own thing, and were enjoying Happy Hour. At 6 pm we all headed to the Pub for dinner, to celebrate the birthdays of Bev and Helen, and the anniversary of Warren and Elaine. There was a large contingent of people from the showgrounds at the pub, and some orders went astray. Jim and I had to wait a long time, but we were not last, Peter and June were the last to be served, which I believe is a normal occurrence for them. On return to the Showgrounds everyone again met under the "Tarp" where the birthdays and anniversary were recognized with cakes etc., after which everyone headed off for an early night.

### FRIDAY

This morning Allan & Lorraine were on the list for a Van prize. Once again an early call for Les, Bernie, Helen and Jill and Peter, they were off on a trip to Marburg. At 8.30am the CCCO meeting was held, and a sea of blue turned out, members who had not experienced the Meetings before attending and learning what it is all about. The Marburg trippers returned home after an enjoyable day, Bellevue House at Coominya, the Try It Emu Farm where they learnt about the use of Emu Oil etc. then on to the Vineyard for Lunch, a tour and wine tasting. At 6.30 pm we all headed to the main hall for the opening ceremony. With the speeches first followed by the raising of the flags. Elaine and Warren were called up to the stage, they were the first to register and pay for the 35th State Rally, and they received Movie passes. This was followed by some enjoyable entertainment, with 2 intrepid ladies joining the Line Dancers. At 8.30 Supper was served and most headed outside to the tea area, then "THE HEAVENS OPENED" did it rain, it rained all night, Macca & Peter drove up to the hall and picked up those who wished to return home. Thank you, we did get home dry. Over 2 inches of rain fell overnight. Jim was listening to the football and had not checked the Van, yes we had windows and a flap open, so got a bit wet inside, and I had a wet bed, though not too wet and I was able to sleep in it. Jim was not too popular.

### SATURDAY

Saturday saw all wake up to water, water everywhere and not a drop to drink. The boggy wet showgrounds became even boggy. The committee made some changes to their plans and the Saturday Markets went ahead in the Hall. We all went up and had a look and spent a bit of money at the stalls. Peter bought himself a bottle of the Rally Port, He was going to enjoy that, but alas someone accidentally knocked the bag over and a pretty red stain appeared on the ground. "OOPS". The bottle was hastily replaced with many apologies. During the morning Nancy arrived, and then Terry and Marlene arrived too. It was good to welcome them to our group. Throughout the afternoon 3 members of the Clay Target Shooting Club arrived to get some practice, so there were a lot of bangs from the shotguns. At 5.30 pm. most were heading off to the hall for the Dinner. We found 2 ½ empty tables and waited for all to be seated then the meal was served. It was a good meal and we made the most of it. With a couple of fellows going back for seconds, then they fronted up for the sweets too. After Dinner there was entertainment, we joined in the singing, and later in the night the girls minus Rae, got up to dance. I had to do the photos. Most of us stayed to the end. A good night had by all.

### SUNDAY

David and Nancy were winners of a van prize today. We were woken up early by the organizers of the Clay Target shooting club arriving to set up the arenas for the days shooting. There were a lot of shooters of all ages and the shots were continuous all day, it was their Annual Shoot Off. Those who had ordered Breakfast headed to the Hall early, and were served with Sausage, bacon, eggs, tomato & onion, with toast and Orange juice, very tasty. With entertainment by bush poets and a singer. On arrival back to our vans we learned that Jill had been whisked off to Hospital. She had not been well since arriving, and decided to have a funny turn, and the ambulance was called. She spent several hours at the Esk Hospital and returned to the showgrounds later in the morning.

Some of us attended the Quilt and Craft show at the R.S.L. Hall, very impressive for a club that only has about 12 members. The quilts were lovely. Morning tea was spent under David and Nancy's awning, Sausage Rolls Provided by Eric and Bev most welcome. We later sat out in the open and watched the Brave people jump out of planes, 2 of whom were caravanners who had won their Jumps. We said goodbye to Vicki & Macca during the day. Work commitments called. Nancy also left us to get back home. The afternoon was spent trying to get some rest in between the shots from the Clay Target Shooters. Several went to the CPR demonstration & line dancing class. 6.30 pm. Saw us all heading back to the hall for the closing Ceremony. The first order of business was to draw the Monster Raffle. Cyril & Lil, Dave & Debbie and Peter & June were all winners, after which the official business commenced, with thanks to all workers, volunteers and of course the members of the different clubs who attended. A cheque for \$7000.00 was presented to the R.F.D.S., which was greatly received by their representative. The Toogoolawah Show Society were presented with a cheque for just over \$23,000.00 comprising of \$15,000+ for site fees and another \$8,000 for the food we managed to consume at Saturday night's Dinner and Breakfast on Sunday Morning. We were introduced to the Mayor of the Fraser Coast, he spoke to the meeting and invited all to Maryborough for the State Rally 2011. A total of 233 club member Vans and 5 others attended the Rally. After the rally was closed and the flags lowered, the entertainment began. Some of us stayed for the music and watched the dancers, while June and Elaine joined the line dancers.

### MONDAY

No luck with the Van prizes today. 8.30 am saw the bus trippers up at the gate ready to roll. All had their "TRAINING" pants on as they were off to the Railway Museum at Ipswich, Jill, Peter, Helen & Kevin. They all had a great time; Kevin got to drive a train which he enjoyed. They had lunch at the workshops; a good day was had by all. We heard many rolling and training jokes on their return. Les & Bernie and David left during the morning. Once again, other commitments called. The rest of us spent the morning doing whatever we fancied. Several went to the Translink talk and came back bearing new smart go cards, they can now travel on the trains using their fantastic plastic. After lunch Jim went to enter his car in the Drag Races, he had 2 to enter so entered 1 in my name. A total of 48 cars were entered, so we all raced down the track. My car was a doozie, it was so slow it stopped halfway down the track, everyone thought it was great, and much fun was made of the race car. Of course I did lose the heat. Jim ran his car later, and finished up causing more laughter when his car jumped into the wrong track and was pushed down by the opposition, they re-ran the race and Jim was beaten, so he headed off to the other end of the hall and sat in on the Battery World talk. Wayne from the Jayco Club was the champion for the second year in a row. They had prizes for the first 6 place getters, and then announced a special prize for the slowest car, which was won by my special Race Car. Jim is now wearing a new Toyota cap from the agency here in Toogoolawah. We all met out in the shade of a nearby tree for Happy Hour, with visitors from nearby vans joining us. Some headed off to the Wine and cheese night, and the rest of us headed home for tea. More headed up to the hall for a Movie which was to be shown. They also showed a PowerPoint presentation of photos from the rally. Those who attended did enjoy the night's entertainment. Then back to get ready for the final day of the Rally.

### TUESDAY

We awoke to a fine day and at Morning Tea it was decided on a trip to Blackbutt Show grounds for those who wanted. The travellers headed off, then we got word that the area was expecting a BIG storm. Bev and Eric had gone into Esk, and had trouble driving home; they had no visibility, but did make it back in time to batten down the hatches. Those of us who stayed at the camp got to work and secured things and got ready. The storm hit around 1.30 pm. And was rather severe, luckily the expected hail did not arrive. The travellers who went to Blackbutt hit the storm on their way home, but all arrived safely. We found a dry spot for our final happy hour, then we went back to the main hall for the drawing of the Shopper Dockets, We had another Lucky Winner, Lorraine won a Bottle of "Plonk". After the draw they had a showing of the official photos of the rally, very good too, and nice to pick out our members in some of the photos. This was followed by entertainment called "Caravan Capers" or "Caravanners got talent". There were several acts which were very good. Terry and Marlene performed, and did us proud, well done folks! After the show supper was served and we all headed back to our vans. During the night we were hit by 2 more storms, and more rain made the ground even wetter. But luckily for us there was no damage.

### WEDNESDAY

This morning we all woke up to a beautiful sunny day, soggy ground and slippery mud and had the fun of packing up to head home. It is always sad to come to the end of a Rally and all agreed that this 35<sup>th</sup> State Rally had been very good and are all looking forward to the next State Rally to be held in Maryborough in 2011. Jim keeps saying that he is not going next year, but we will wait and see as he has said the same thing since Kingaroy. Everyone had a good time at the rally and our congratulations must go to the organizing committee who ran a successful rally in spite of the weather.

To our members who attended thank you for making it a great week.

Roving Rally Reporter.

### **PRESIDENTS REPORT**

Although the weather was not kind to us, the Toogoolawah State rally was still excellent. The organisers had their hands full but did a wonderful job under the circumstances and it is a credit to them that they retained their ever helpful disposition throughout. Nothing was too much trouble. To them I humbly say "thank you". Terry and Marlene did the club proud on the "Caravanners have talent" show.

I did come away with one minor disappointment and that was the fact that a very small minority of persons attending seemed to think that it was their right to voice unsubstantiated and derogative comments to some of us about what the Peninsula Caravan Club members had contributed to the event. So let's have a look at the facts, shall we? 13 of our membership attended (just short of 50% of total membership). That is the biggest attendance ever. We chose not to have a club rally to avoid the competition. Our members participated in every tour with the exception of the last Tuesday. Some went and volunteered to assist the organisers to rearrange the hall when rain washed out the intended venue for the market day (although politely turned away). We participated en masse in the CCCQ meeting, many of the lectures, craft show, opening and closing ceremonies, talent show, Friday sausage sizzle, Saturday's dinner and dancing and Sunday's breakfast. Members bought up big at the markets and the trade stalls not to mention the monster raffle. We participated with multiple entries into the photo contest, Drag racing and had Terry and Marlene in the talent show and like everyone else at the rally stomped around (you won't do that again hey Bernie?) in the very slippery mud to get to many of these activities. To all our members that attended I am proud of you.

On behalf of the Committee and members I would like to sincerely thank Rae for availing her personal time and expense for the birthdays/anniversaries announcements (the mini cakes were yummy!) and undertaking the detailed State rally report (not to mention the 1,000 photos!!!).

Kenilworth is our AGM so I am hoping that as many of you will attend as possible. We will be erecting our new tarp to show case its features. I look forward to seeing you there.

**SECRETARY'S REPORT**

Hello Everyone, I hope everyone has dried out by now, but even with all the rain and mud it was a very good rally. I would like the majority of you all to give yourselves a big pat on the back, why you ask? It was very pleasing to see the majority at the Saturday Night dinner with the Club shirts/jackets on, because even though it was the State Rally it also was our Club "official" week-end, and when you look at the photos you will all agree how good our Club colours look. I would like to remind everyone that the Committee is providing steak, sausages and onions for the AGM meal and ask all members to bring salads and desserts; we will also be providing SOME "happy hour" nibbles; kabana, cheese, Potato chips, biscuits. Till Kenilworth.

### ***RALLY CO-ORDINATORS REPORT***

It was great for me to attend a rally where I didn't have to organise anything. On arrival at Toogoolawah the parking Marhalls were very good to us, putting us on a nice gassy lot near a shade tree right next to the Ladies & Gents Toilets, thus making the last minute purchase of a Porta Potti unnecessary. The biggest challenge after all the rain was plodding through to mud to get to the various venues, but it did not stop us having a great time, especially my spouse who loves line Dancing. It was interesting to watch the shooters on Sunday. My thanks to Dave Smith for taking us to Blackbutt Show Grounds on Tuesday, also thanks to the members who made sure everyone's vans were secure when The storm hit. I was a bit shocked to see Dave & Debbie on the motorway with their Pajero on the back of a truck, I tried to ring but advised mobiles were turned off. I have been advised they got home safely & have now updated their mobile phone number.

I'm looking forward to seeing you all at Kenilworth. If I have not seen you recently please advise what days you will be attending the rally.

*Regards Peter*
