***Next Month's Rally – Kalbar Showgrounds
Edwards St, Kalbar 4309
Wednesday 14th – Monday 19th October***

Make Hay while the sun shines in Kalbar

Settlement began at the location in 1876 and by 1890 a small town had developed. The town was once known as **Fassifern Scrub** and then **Engelsburg** after the first settler of the town. The town has a very rich German history, reflected today in the many anglo-german road and street names as well as the many local German settler descendant surnames. The name changed to Kalbar because of anti-German sentiment in 1916. The Mount Edwards railway line reached the town in the same year. Engelsburg Post Office opened on 7 July 1897 (a receiving office had been open from 1878. known as *Engels* for five years) and was renamed Kalbar in 1916. During the 1899 referendum to decide if Australia should become a federation, Kalbar registered the highest No vote of any town in Queensland. In 1920, the Kalbar School of Arts hall and half the businesses in town were destroyed by fire. From 1961 to 1990, Kalbar held a large annual celebration, the Fassifern Potato Festival. The event included a street parade with motorised floats culminating at the show grounds and continuation of festivities. Some artifacts from the festival can be found at the Templin Historical Museum. Harvest Festivals organised by the local Salvation Army church extended back to the 1920s.

ACTIVITY REPORT

Thank you to Helen & Rick, Colin & Lyle for this month's activities.

1st Activity: At 3.00 pm in the shed we all had to line up in order of our Month of birth, then we were divided into groups of five. Everyone was wondering what we were about to have to do!

Each group were given 5 potatoes & a few toothpicks, we had to build a tower using our two tools that we had been given. Everyone set to work trying to get their potato tower to stand upright as the tallest one would be the winner. Everyone needed extra toothpicks to hold the potatoes together.

There was finally a winning team with their tower standing 28cm tall.

John Mac, Jimmy, Carolyn, Gayle & Mick were the winners of our first of many activities.

2nd Activity: Lining up again in our groups we had to roll one of our potatoes and try to knock down two cans which were placed about 10ft apart. There was lots of laughter as the cans were missed & cheers when was knocked over. Rae, Ted, Gay, Dave B, Maryanne & George were the winners of our second activity.

3rd Activity: Each team had a bag of five different flavoured potato chips to put on a plate.

The object was to name all the five flavoured chips & the Brand.

There was lots of chatter and ooing & ahing going on as everyone tried to work out the flavours.

Finally the winners were announced. The Brand name was Sprinters from Aldi.

John Mac, Jimmy, Carolyn, Gayle & Mick were the winners of our third activity.

At 4.00 we had our Happy hour.

The Birthday member's were: Carolyn & Bev. Happy birthday to you both.  And also to Loretta (absent)
The Anniversary member's were: Ted & Carolyn and Rod & Gayle. Happy anniversary to both couples.

Also to Kim & Ken, Elaine & Warren and Di & Rob (absent)

We then had Jo, from Kingsley Grove Estate Wineries, join us. She told us about the estate which was established in 1998 by Michael & Patricia Berry. The vineyard is home to 11 different grape varieties and at 25 acres is the largest in Kingaroy, and one of the largest in the South Burnett. We were then offered to taste some wines. They were all very nice & I think a lot of bottles were purchased. Their web site is: www.kingsleygrove.com

4th Activity: At 6.30 everyone gathered in the shed again to share a very tasteful selection of hot food lovingly made by our members & after the main course were the scrumptious desserts.

5th Activity: After dinner we had one more activity which was 5 pages of quiz questions.

We were given a whole five minutes to complete the five pages. Wow!!

One team actually finished the five pages and had the most correct answers, they were John Mac, Paul & Vickie, Mark & Dianne. Thank you to the organiser for an afternoon & night of interesting activities, I think everyone there enjoyed themselves. **Vicki & John**

ROVING REPORT

WED: 6 vans arrived at Kingaroy to nice warm weather. After setting up on lovely grassed sites we gathered at Gay's for coffee, followed by Happy Hour with lots of jokes & laughter ---

AND the word for the rally is: 'PATIENCE' The day ended with light rain & an early night.

THURS: Heavier rain & cooler this morning. We all had a restful day & drives to town. Gayle & Rod arrived. Gay went to the 'Country Road Show' and enjoyed it. (even after spending the week before at Nanango for the Country Music Festival). Debbie & Allan (Shorty) called in for a visit after their 2 years living on the road. Good to see you both. It rained off and on all day & the 'threatening' storm passed us by. After Happy Hour in the room, it was dinner & another early night (are we getting old or what? --- NO) it was raining heavier.

FRI: Another 5 vans arrived today. Light rain off & on but a pleasant day in all. Lots of planes flying overhead from the local Vintage Planes & Machinery Show. Then Mick & Faye arrived just after dark & were parked up next to our room --- it sometimes pays to come late.

SAT: Awoke to beautiful blue skies & sunshine, but cold winds. Col & I went to Memorial Park for morning tea with my niece & nephew and their families. Now, it's over to Vicki M for the Activity Report.

SUN: We all got together for morning tea in the room before 8 vans got on the road to STANTHORPE for the 39th STATE RALLY, stopping O/N at Allora Showgrounds. What happened from there on, I have no idea as I forgot to ask someone to continue with my report ... SACK THE EDITOR!

39th STATE RALLY STANTHORPE

Stanthorpe RSL Band

OUR VERY OWN "ENERGIZER BUNNY" danced all night until her batteries ran out --- she certainly enjoyed her 1st State Rally

You Rock Bunny!

We all got to meet Tania Kernaghan who was out-standing and warm.

Bev's State Rally Report

Where do I start, yes at Kingaroy, Mick & Faye told us that they were coming to the State Rally with us so that was a nice surprise. We all packed up on Sunday to drive to Allora Showgrounds for the night. Brian & Loretta joined us there and we were lucky that all week-end there had been a music festival, so come night we could order a meal which we all enjoyed, plus it was Loretta's birthday so she kindly supplied a cake, thank you Loretta.

Monday we all got up to a very cold morning and left for Stanthorpe around 8.00 a.m. On arrival at Stanthorpe Showground we were given our sites, Ted & Carolyn, Gay, Brian & Loretta on the main oval. Colin & Lyle, Mick & Faye, Jim & Rae, George & Maryanne and Eric & I were by ourselves in the hollow but still a nice spot and nice neighbours. After setting up we registered and received our Welcome Bags which I must say were one of the best. Monday afternoon we had the opening ceremony which I was honoured to share with Colin in presenting our flag. We had a welcome burger which was enjoyed by all.

Tuesday most went exploring the delights of Stanthorpe. Brian & Loretta, Colin & Lyle & Gay who car pooled and Eric & I followed showed us the best wineries also the best place to get the biggest slice of apple pie I have ever seen and some very nice apple juices with different taste. Dinner was another meal in the hall, we had pasta and a talk from local grape & wine growers and they supplied wine tasting - very nice.

Lunch at Suttons

A 'Very Cold' morning

Afternoon Tea with Jam Session

Our Line Dancers

Wednesday was a quiet day but a very cold morning -1degrees. Most were getting ready for the Rainbow Ball that night - the cheap and op shops did a very good trade. Our area had a street breakfast of pancakes and the host and myself celebrated our b/days. Morning tea in the hall I was surprised by all with a cake for my b/day, thank you Lyle. The Ball was a big success, I have never seen so many coloured outfits and some wacky ones as well. Also, after we had all eaten I was once again surprised by another b/day cake. Thank goodness you only have one b/day a year, thank you, Carolyn.

We even met some fairies at The Rainbow Ball

Colourful Brian

Thursday, another cold morning at 1 degree. The drag racing was on & Eric entered his car as did Jim, Eric went right through until the last when he was beaten by a whisker, but look out next year in Canberra where he has to defend his title. Night events were a Fashion Parade by Target Country and it was hilarious with Sadie, the cleaning lady doing a wonderful job, dusting everything in site from shoes to bald heads, she certainly cleaned the place up. Some of the outfits made a come-back from the 20 or 40ties. The little kids did a wonderful job on the catwalk as well, with their twists & turns. Great job, kids!

Funny Fashions

The Conga

Sadie, The Cleaning Lady

Friday was another car pooling day with Mike & Fay, George & Maryanne followed as well as Eric & I and once again Brian took us to some amazing places. First Jam Works, then the Pyramid and what a sight to see, nothing around it, it is built with boulders. After that we went to the Bramble Patch, again some nice chutneys, etc. and morning tea with some amazing food. We had our farewell dinner, hot & cold meats salad and roast vegies, very nice, then all tables were given a platter of different sweets, little tarts, ginger nuts with cheesecake topping, etc. We were entertained by Tania Kernaghan and her back up band for the night 'Toucan Twango'. Then was a lot of dancing done until late in the night.

The R.F.D.S were given a cheque for \$9,500.00 which all clubs donated to and all activities at the rally also supported them.

The site fees came to a grand total of \$33,860.00 which will be a big boost for the show society.

Another note Mike & Faye being first "timers" they were given a small talk telling things that will happen and I must say they had a very good time and both Mick & Fay "energiser bunny" were very busy joining in all activities. Good One! They played in the Disc Bowls Comp. (1st timers for that, too)

Mick & Faye's 1st time at Disc Bowls

Good shots, you two

Colin receiving his prize from Bob

There will not be any state rally next because of the National Rally in Canberra and I ask you all to think about going. You have until June next year to decide and I can give you info you need it.

Saturday was Market Day in the hall time, lots of goodies and lucky dips to tempt us. At 5pm we had the closing ceremony and drawing of the monster raffle. Our 2 donations were won by Townsville Club & Southern Cross Club. Two of our members {Mick & Irene, Paul & Vickie} one prizes. Paul, I will give you yours when I see you again and no I will not use or keep it. The announcement for the winners of the photo competition was announced but unfortunately Colin was told before-hand that he had won his "Special Effects" and his photo was put onto a canvas and it looks very good. Congratulations, Colin. He also got a 'Highly Commended' for his entry in the 'Reflections' section. Not bad for his first competition, eh!

Some started packing up before the rain came down.

That night we had a Rock & Roll Stomp, with some people dressing the part.

Sunday we had to pack up and leave what was the best rally Eric & I have ever been to Congratulations to the committee, they did a marvellous job on all areas.

We stopped at Aratula on the way home for coffee and milk shake.

Cheers **Bev**
